PROFESSIONAL SUMMARY

Creative and organized mathematics student with 4 years of experience in one-on-one and group-centered tutoring and a semester of resident assistant experience. Strong ability to listen to a student's needs and formulate information to respond with the best solution possible, while being easy to talk to and get along with. Able to easily organize and hold events, participate in a peer dependent environment, host-in depth discussions, build a strong community, and effectively work inside a residential workplace
